Modular Faceplates

The M10L, M12L, M13L, M14L and M16L are flush-mounted US standard M-Series Modular Faceplates designed for use with one, two, three, four, or six M-Series Information Outlets (M1, MPS100E or MGS400). The M12L is duplex, the M13L is triplex, and the M14L is quadplex. The faceplate outlet openings are numbered on both sides for installation and maintenance identification.

Benefits:

- Colors can be chosen to complement office decor
- Number of ports can be chosen to fit needs
- Designed for use with M-Series modular information outlets.
- Faceplate outlet openings are numbered on both sides for installation and maintenance identification.
- Includes faceplate, (2) mounting screws, and (2) label cards with covers (M10AW includes two studs for mounting).
- Optional M20AP or M81 Dust Covers/Blanks may be used to cover any unused outlets.

Tech. Info & Standards:

Dimensions:
