ISM20W

Hubbell's new Infin-e-Station™ surface mount boxes (ISM) provide everything needed for today's applications at the workstation. More and more multimedia connections are demanded in the work area. The ISM 1-, 2-, 4-, 6- and 12-port configurations lend flexibility and ease of installation to satisfy these applications.

Product Specifications	
Product Type	 Surface Mount Box 1, 2, 4, 6 & 12-port
Ports	2
Color Choices	Office White
Unit Package	Single
Order Quantity	Bag of 1

FEATURES

- Multimedia connector port capacity: 2
- The adjustable furniture latching feature on the 4- and 6-port version gives the option to mount to the common ANSI/TIA/EIA standard furniture opening, which includes Steelcase, Haworth, Hon, and Knoll
- For solutions requiring fiber, the 4-, 6- and 12-port ISMs will accommodate proper bend radius and the required 1 meter of storage
- Individual port and work station labeling
- Security screw for high traffic areas
- The ISM has the ability to mount to multiple surfaces like standard NEMA boxes, MediaTrak, the ReBOX, CP Box, rack rail, desktops, walls, and modular furniture

SPECIFICATIONS

- UL listed
- CSA certified
- ANSI/TIA/EIA-606A compliant
- Provided with double-sided tape and mounting screws for easy installation
- Constructed with a high impact resistant, flame-retardant polymer
